

*Art Collection Management Software*

Your art collection is a source of intense pleasure.  
It can also constitute a significant share of your assets.  
Why not give it the same level of transparency  
and management as the rest of your assets ?

# Art collection management

Registr'art is a safe, rigorous and user-friendly software application which will dramatically help you improve the management of your art collection.

Work	Artist	Title	Medium - Size

A screenshot of the REGISTR'ART Artwork card interface. The window title is "REGISTR'ART Artwork card". The main content area is divided into several sections. On the left, there is a form for entering artwork details. On the right, there is a large image of a colorful, abstract artwork. Below the image, there is a section for "Artwork notes". The form contains the following fields: "Title" (Untitled), "Artwork date" (DD, MM, YYYY), "Medium" (Cibachrome print), "Dimensions" (height: 65 cm, length: 50 cm, depth: cm), "Edition" (2/10), "Category" (Photography), "Provenance(s)" (artist), "Signature" (Yes/No), "Certificate" (Yes/No), "Status of work" (Stock), "Exhibitions" (Back in stock), "Location" (salon), and "Loans". A red circle highlights the top left corner of the window, and a red arrow points from it to the REGISTR'ART logo. Another red arrow points from the bottom right corner of the form to the text "All information you need in one look:".
